Stay true to nature with a classic scent

Désir de Nature

Luminous, delicate nature: the scent of Désir de Nature. The Lily of the Valley, a symbol of femininity, offers the classic elegance of a fresh floral, while the delicate aroma of the Daphne flower inspires enchantment. The luminous harmony of Mint and Mandarin bring freshness that awakens the senses like the first golden reflections of a sunrise. Like a refreshing breath of air caressing your skin, its scent renews your desire for nature.

Why would 10 Precious Oils work for you?

If you are looking to intensely nourish your skin, offer it in-depth replenishment, immerse it in ultimate comfort, and beautifully smooth away lines and wrinkles, then this line was created for you! Women over the age of 45 greatly appreciate the high performance results from the 10 Precious Oils in these products, as each and every one helps deliver unique benefits to your skin.

Why would Pore Regulation work for you?

Anybody with oily or combination skin looks for ways to get rid of that shine. Especially if their pores are enlarged, makeup does not stay put, or you can feel an oily film by midday. Bio Specific Pore Regulation will help to eliminate your skin's excess oils at the source!

"Pore Regulation helped balance my skin!"

Bio Specific Pore Regulation for Oily and Combination Skin

NEW

Proven Performance

- 91% observed that using it as a scrub left their skin clear, purified, deeply cleansed, with clear pores
- 83% observed that excess oil was immediately absorbed and liked how purified their skin felt

*23 women tested over a 3-week period

⑯ **2-in-1 Scrub + Mask**
Two miracles in one! This scrub + mask allows fewer blackheads and less noticeable pores, leaving you with a more even skin tone. First, scrub to exfoliate. Then, let the Kaolin clay do its magic for five minutes, absorbing impurities and reducing excess surface oil.
